

Easter 2024 – Leisure Centres/Frístund

Dear parents,

Children who are registered in the leisure centre/Frístund can register for extra days in the week before Easter. The leisure centre will be open if the required minimum number of children is registered.

It is possible to register on the following days from 8:00 - 16:00

Monday March 25

Tuesday March 26

Wednesday March 27

A special registration for these days is needed through Vala/frístund. The fee for each day is 2.531 kr. and will be charged according to application regardless of attendance.

The children need to bring refreshments for morning and noon as well as lunch.

Please note that a minimum registration of 10 children is required to be able to offer the Easter opening. If that number is not reached, it is unfortunately not possible to hold an opening, but an offer will be made to stay at another leisure centre. If that happens, a worker from each leisure centre will accompany children who go to another leisure centre so that all children have a worker they know.

Register here: <https://innskraning.island.is/?id=valais&path=%2fvala-fristund-vetur>

Registration ends on Friday, March 8, 2024, at 12:00 pm. Unregistered children will not be accepted.

Best wishes,
Halldóra Elínborg
manager of Krakkaland
